

# A Chair for My Mother

**Materials:** A Chair for My Mother, Vera B. Williams

---

1. After listening to the story 'A Chair for my Mother,' decide on a chore that you could do and the amount you might earn for doing that chore.
2. Write about what you will do and how much you will earn.
3. Draw coins to show how much you will be paid.
4. Divide the money in half – half for spending and half for saving. How much will you spend? How much will you save?
