

## Domino Addition

$$4 + 0 = 4 \quad 1 + 3 = 4 \quad 2 + 2 = 4$$

**Materials:** dominoes, numeral cards

---

1. Put a stack of numeral cards in front of you.
2. Turn over the card on the top of the stack
3. How many different dominoes can you find with this total number of dots?
4. Record your work.
