

One Potato

1 potato, 2 potatoes, 3 potatoes, 4!

I made a batch of hot potatoes and
dropped them on the floor!

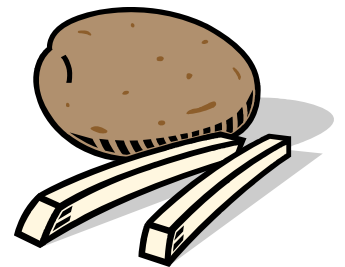

5 potatoes, 6 potatoes, 7 potatoes, 8!

I stomped them into mashed potatoes and
plopped them on a plate.

9 potatoes, 10 potatoes, can't believe my eyes,

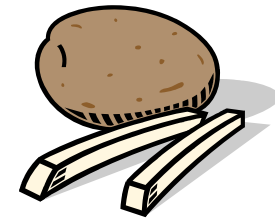

The children ate them all up and
now they want french fries!!!

1, 2, 3, 4, 5, 6, 7, 8, 9, 10
