

Addition Bag

Materials: transparent sandwich bags with line drawn down center, counters

1. Put 5 counters into your bag. Close the bag.
2. Move the counters to make two sets, one on each side of the line.
3. Record your work. Show how many counters are on each side of the line. Show how many counters in all.
4. How many different ways you can find to move the counters into two sets?
5. Repeat with a different number of counters in the bag.
