Anno’s Counting Book

**Materials:** copy of *Anno’s Counting Book* by Mitsumasa Anno, snap cube towers of various sizes (1 – 10 cubes)

After listening to the story complete the following task:

1. Choose a tower of snap cubes. Count the cubes in your tower.

2. Draw the tower and write a numeral to show how many cubes it has.

3. Draw a picture with sets of objects to match the number of cubes in your tower. For example, if your tower has 4 cubes you could draw 4 trees, 4 flowers, and 4 birds in a garden.
