

Base Ten Path

Materials: die, counter for each player, Base Ten Path (one per partnership), recording grid for each player, Answer Key

1. Work with a partner. Each player places a counter anywhere on the path.
2. Take turns to roll a die and move your counter that many spaces forward.
3. Count the base ten blocks in the space you land on. Write the total in the matching letter space on the recording grid.
4. Continue taking turns until one player has completed a line of 5 numerals vertically, horizontally or diagonally.
5. At the end of the game use the Answer Key to check your work.
