

Build a Number Line

Materials: numeral cards 21-30 or any 10 consecutive 2 digit numbers (3 of each)

1. Deal seven numeral cards to each player.
2. Put the remaining cards facedown in a stack on the table.
3. Put your cards in order. A horizontal row of seven red-bordered boxes, each containing a numeral. The numerals are 21, 22, 24, 25, 27, 28, and 30, arranged from left to right.
4. Put any cards you do not need at the bottom of the stack.
5. Take turns picking up a card from the pile and either placing it on your number line or putting it at the bottom of the stack.
6. Continue play until one player has built a complete number line from 21-30.
