

# Coin Scoop

**Materials:** plastic spoons, paper cups containing dimes

---

1. Take a scoop of dimes from your cup. Place the dimes in a line.
2. Draw a quick picture showing how many dimes you scooped.
3. Figure out the total value of the coins.
4. Record how many dimes you scooped and the total value.
5. Repeat 5 times.

10   20   30   40   50   60   70   80

I scooped 8 dimes.

I scooped 80¢.
