

Coin Scoop

Materials: plastic spoons, paper cups containing nickels

1. Take a scoop of nickels from your cup. Place the nickels in a line.
2. Draw a quick picture showing how many nickels you scooped.
3. Figure out the total value of the coins.
4. Record how many nickels you scooped and the total value.
5. Repeat 5 times.

5 10 15 20 25 30 35 40
