

4	7	5	3	2	3
7	5	6	3	2	4
7	3	5	4	2	6
4	6	5	7	3	2
5	4	2	3	2	6

Count On One

Materials: 10 counters per player, number cube (1-6)

1. Work with a partner. Collect 10 counters each.
2. Take turns to roll the number cube and **count on one** from the number rolled. Cover this number on the board with a counter.
3. Read the sentence frame. Write the addition fact.
4. Keep taking turns until one player has placed all ten counters on the board.

One more than
__ is __.
