

Counting Collections

Materials: sealed paper bags labeled with the number of objects inside, Ziplock bags with 20 -100 objects

1. Work with a partner. Choose a paper bag. Read the number telling how many objects are in the bag.
2. Choose another bag and empty out the objects. Group the objects in this bag in sets of five (or ten).

3. Start at the number on the paper bag. Skip count by fives (or tens) from this number to find out how many objects in all.

27

32

37

42

4. Record. Show how you used skip counting to count on from the number on the paper bag.
