

Cover Up

1	2	3	4	5	6
---	---	---	---	---	---

Materials: number cube (1-6), laminated number track (1-6) for each player, 12 counters

1. Work with a partner. Collect a number track each.
2. Take turns rolling a number cube (1-6) and putting a counter on the matching number on your number track. If the number already has a counter on it you must wait for your next turn.
3. Keep going until you have covered all six numbers on your number track.
