

Five Frame Match

Materials: 2 sets of five frames with dots, number cube

1. Work with a partner. Place all the five frame cards face up on the table.
2. Take turns to roll a number cube and find a five frame with a matching number of dots. If you roll a 6, roll again.
3. Keep going until all the five frames have been taken.
4. Count your five frames to see how many you each have.

Five Frame Cards: Print, laminate and cut out to make one set.
