

Greater than 50

Materials: set of mixed cards (numeral, expression, ten frame)

1. Work with a partner. Place the three header cards in a row. Put all the other cards facedown in a stack.
2. Take turns to turn over a card from the stack and decide where it belongs. Explain your thinking.
3. Keep taking turns until you have sorted all the cards.
4. Draw or write about how you sorted the cards.
