

Each Orange Had 8 Slices

Materials: copy of *Each Orange Had 8 Slices* by Paul Giganti, Jr.

1. Write a number story in the same style as the problems in *Each Orange Had 8 Slices*. Your number story should have three factors.
2. Your work will be included in a class book of multiplication number stories so be sure to write neatly and check the spelling of any words that you are unsure of.
3. Solve your number story. Show your work.
4. Draw an illustration to accurately match your number story.

On my way to _____ I saw _____.

Each _____ had _____.

Each _____ had _____.

How many _____ were there?

How many _____ were there?

How were _____ were there in all?

Solution:
