

Picture Pie

Materials: copy of “Picture Pie” by Ed Emberley, fraction circles, scissors, glue

1. Look closely at the artwork in Picture Pie.
2. Fold paper circles into halves, fourths or eighths.

3. Cut, paste and color your circle pieces to create a picture.
4. Name the fractions used to create your picture.
5. Add the fractions to find the total value of your picture. Explain your strategy.
