

Make Five on the Five Frame

$$4 + 1 = 5$$

Materials: numeral cards (0-5), blank five frames, two-color counters

1. Choose a numeral card. Put this number of red counters on a five frame.
2. Add yellow counters to fill the five frame. How many yellow counters did you need?
3. Record your work using a picture and an equation.
4. Repeat with other numeral cards. How many different ways can you find to make five on the five frame?
