

Missing Numbers (3 digits)

	600			
				608
			612	
	615			

Materials: Missing Number grids, dry erase markers or crayons

1. Choose a Missing Number grid.
2. Fill in the missing numbers.
3. Point to each number and count from the first to the last number on the grid.
4. Ask a partner to check your work.
