

Multiply It!

Materials: numeral cards 1-10 (2 of each), gameboard per player, paperclip

Number of Players: 2

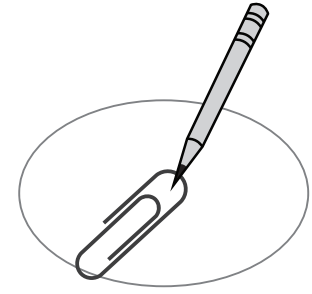

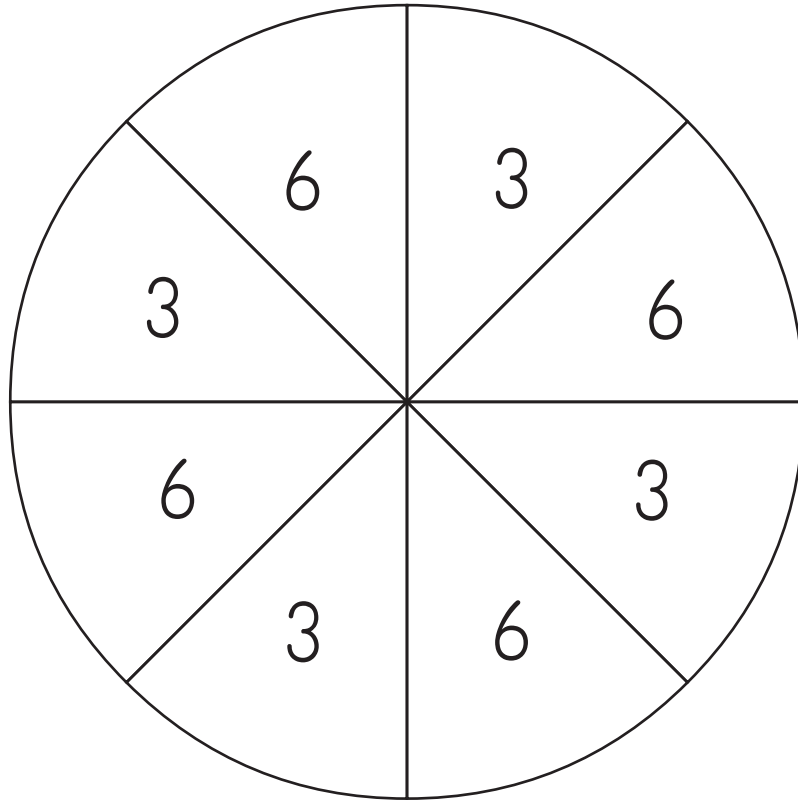

1. Shuffle the numeral cards and place them facedown in a pile on the table.
2. Take turns to turn over the top numeral card in the pile and spin the spinner on your board using a pencil and paper clip. Multiply the number on the card by the number on the spinner. Say the multiplication fact aloud before writing the product in the correct space in the table on your board. 
3. Players must check their opponent's work before taking their turn.
4. Continue taking turns and checking one another's work until one player has completed all sections of his or her board.

Multiply It!

	1	2	3	4	5	6	7	8	9	10
$\times 2$										
$\times 4$										

Multiply It!

	1	2	3	4	5	6	7	8	9	10
$\times 3$										
$\times 6$										

Multiply It!

	1	2	3	4	5	6	7	8	9	10
$\times 5$										
$\times 6$										

Multiply It!

	1	2	3	4	5	6	7	8	9	10
$\times 7$										
$\times 8$										

Multiply It!

	1	2	3	4	5	6	7	8	9	10
$\times 8$										
$\times 4$										

Multiply It!

	1	2	3	4	5	6	7	8	9	10
$\times 9$										
$\times 10$
