

My Secret Number

Materials: numeral cards 1-10 for each player

1. Partner A: Choose a secret number and place the card facedown on the table so that your partner does not see it.
2. Partner B: Try to guess the secret number by choosing one of your cards and placing it faceup on the table.
3. Partner A: Tell whether the secret number is greater or less than the face up number.
4. Partner B: Keep making guesses until you work out what the secret number is.
5. Swap roles and play again.
