

My Shape Riddle

Materials: geoboards, rubber bands, index cards, My Shape Riddle recording sheets

1. Make three different shapes on your geoboard.
2. Draw one of the shapes you made on your recording sheet. Cover the shape with a flap made from an index card.
3. Write four clues to describe the shape.
4. Try your shape riddle on a friend. After your friend gives an answer lift the flap to show if the answer is correct.
