**Materials:** Nearby Numbers board and cards

---

1. Shuffle the cards and place them face down in a stack.
2. Work with a partner. Take turns to turn over a card and place it on the grid in the correct counting sequence.
3. Explain your thinking.

The number before  
\_\_\_ is \_\_\_.

The number after  
\_\_\_ is \_\_\_.

4. Keep taking turns until all the spaces on the grid are filled.
