

Picture Pie

Materials: copy of *Picture Pie* by Ed Emberley, fraction circles, scissors, glue

1. Look closely at the artwork in *Picture Pie*.
2. Fold paper circles into halves, fourths or eighths.

2. Cut, paste and color your circle pieces to create a picture.
3. Name the fractions used to create your picture.
4. Add the fractions to find the total value of your picture.
Explain your strategy.
