Playdough Shapes

Materials: Shape cards, playdough

1. Choose a card.

2. Roll your playdough into a long snake and use it to make the shape on your card.

3. Use the math talk sentences to tell your partner about the shape you made.

4. Repeat with other cards.
I made a _____.
It has ___ sides.

I made a _____.
It has ___ vertices.

I made a _____.
It is ____.

I made a _____.
It has ___ sides and ___ vertices.
