

Plus One

Materials: 10 counters per player, number cube marked 1-6, Plus One board

1. Work with a partner. Count out 10 counters each.
2. Take turns to roll a number cube and place a counter on the number rolled plus one, anywhere on the board.
3. Say and write the addition equation. 
4. Keep taking turns until one player has placed all ten counters on the board.

5	4	7	3	2	3
2	5	6	3	7	4
7	2	5	4	3	6
4	3	5	7	6	2
5	6	2	3	2	4

Plus One
