Start

**Directions:** Each player places a counter on Start. Take turns to roll the number cube and move that number of spaces. Read aloud and answer the problem in the box you land on. Record the equation. Check each other's work. If you give the correct answer you may stay where you are. If you give an incorrect answer you must move back 2 spaces. Keep taking turns until one player reaches the **Finish** line.

Ten less than \_\_\_\_  
is \_\_\_\_.

Ten less than \_\_\_\_
