

Round to the Nearest Hundred

Materials: pack of numeral cards (0-9)

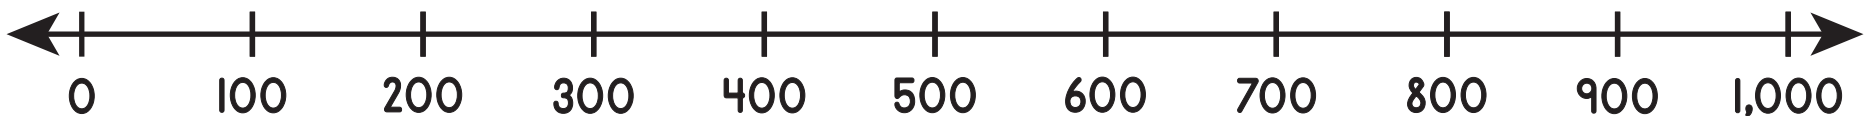

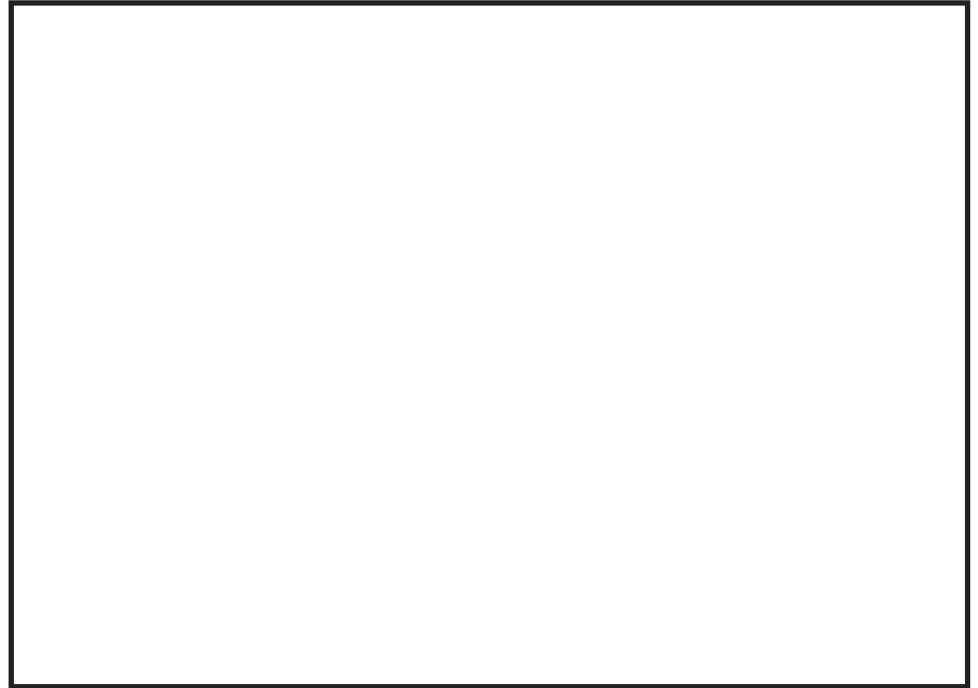

Number of Players: 2

Directions: Place a stack of numeral cards (0-9) facedown on the table. Each player takes three cards from the top of the stack and places them on the board in the order drawn to make a 3-digit number. Each player rounds his/her 3-digit number to the nearest hundred and explains his/her thinking. The player with the largest number when rounded takes all six cards. Play continues until all cards have been picked up. The player with the most cards wins the round.

Player 1

Player 2

The number ____ is between
____ and _____. It is closer to
_____ so rounds to _____.

The number ____ is between
____ and _____. It is closer to
_____ so rounds to _____.
