

Show Two More

Materials: numeral cards (0-8 or 0-18), ten frames, double ten frames, counters, recording sheets

1. Work with a partner. Place the numeral cards facedown in a stack.
2. Turn over the top card in the stack. Put counters on your ten frame to show **two more** than the number on the card.
3. Read the sentence frame to your partner.
4. Record your work.
5. Repeat with other numeral cards.
