

Skip Counting Sequences

8 10, 12, 14, 16, 18

8 13, 18, 23, 28, 33

8 18, 28, 38, 48, 58

Materials: numeral cards (2-9)

1. Turn over a numeral card. This is your starting number.
2. Count by 2's for the next five numbers in the sequence. Record the sequence.
3. Use the same starting number. Count by 5's for the next five numbers in the sequence. Record the sequence.
4. Use the same starting number. Count by 10's for the next five numbers in the sequence. Record the sequence.
5. Repeat with different starting numbers.
