

Tangram Shapes

Materials: one tangram set per partnership

1. Work with a partner. Make a square using the **three** smallest triangles from a tangram set.
2. Use the same **three** triangles to make a triangle, a rectangle, and a parallelogram.
3. Make each shape again using the **five** smallest pieces from your tangram set.
4. Make each shape again using all **seven** pieces in your set.
5. Record your work.
