The Shopping Basket

Materials: copy of *The Shopping Basket* by John Burningham

1. After listening to the story solve the following problem:

   Steven’s mother sent him to the shop to buy six eggs, five bananas, four apples, three oranges for the baby, two doughnuts, and a packet of crisps.

   **How many items in all did Steven need to buy?**

2. Use pictures, numbers or words to show and explain how you solved the problem.
