Time Barrier Game

Materials: Barrier Game grids showing blank analog and digital clocks, divider

1. Work with a partner. Sit side by side with a divider standing between you.

2. Player 1: Show different times to the hour and half-hour on the clocks on your grid without letting your partner see your work.

3. Player 1: Give clear instructions to your partner on how to complete his/her clocks to match your grid. For example, you might say, “Show five o’clock on the clock in the center of your grid.”

4. Remove the divider and look at your two completed grids to see how closely they match.

5. Swap roles and play again.
Show _________ on the clock in the center of your grid.

Show _________ on the clock above/below _________.

Show _________ on the clock to the right of _________.

Show _________ on the clock to the left of __________.
